Dear Friends,

As we begin the month of June, we are into the Green Season, the season of Pentecost. It is a season of growth as we hear biblical stories that help us to grow in our faith. Pentecost can be a long season, this year I believe it is 26 weeks long, which just might say something about our need to keep growing in faith.

On Pentecost Sunday, our church glowed with the color red, and the Spirit of God was truly among us. The choir carried in ‘tongues of fire’ and we had the awesome privilege to confirm Matthew Bruchak and Garret Pavlacka as they affirmed their baptismal promises. I shared through the sermon what these young men wrote about what it means to belong to and participate in the life of the church. Now, as we journey through Pentecost, I hope each one of us will take time to reflect upon what it means to be part of Christ’s Church. Think about how you see the Holy Spirit working in your life and continue to pray for God to guide you so you can best serve God and neighbor.

It is my prayer that after 26 weeks of this faith-growing season, each one of us will be at a different place in our faith lives. Perhaps we will be more faithful in attending worship, reading scripture, thanking God, and helping neighbor. May you be open to the mighty work of the Holy Spirit as together we ‘be the church’.

Growing with you in faith,
Pastor Laura

WORSHIP AND MUSIC

Have you thanked a choir member? Have you thanked a bell choir member or one of our kids who blessed us with music throughout the year? We have been so blessed to have faithful individuals join together to share their talents with us as we praise our God. And while you are thanking people, how about thanking Judy Noll and Richard Steltz for their leadership.

Throughout the summer we are looking for individual or groups to share special music with us as our choir take their summer break. If you are interested in singing, or playing an instrument please see Judy Noll who will coordinate the summer schedule.

The worship and music committee is looking into replacing a few of our paraments, as they have been worn over the years. Also, new communion linens will be purchased as some of them are wearing as well. During the summer, the hand bells will be refurbished to keep them in the best working order. The funds for all these projects will come out of our memorial account.

One more item, if you are not currently serving as an usher or greater or reader and you would like to, please let the church office know so you can be placed on the schedules. We are also looking for additional people to help us in our worship services.

Thank you to Peggy Kern for donating geranium plants for Pentecost Sunday. They added to our red day on which we proclaimed Gods mighty Spirit!

CHRISTIAN EDUCATION

Our thanks to Taryne Williams for serving as superintendent of the Sunday school and taking care of all the many details that position involves. We also want to thank all those who have served as teachers or helpers.

Special thanks to Blue Mountain Nursery who provided the plants for our children to plant around the church grounds.

PROPERTY NEWS

The property committee and the church council have approved an estimate for the new lighting in the nave. The work will be done by Arthur Funk and Son, Inc. and is estimated to cost \$26,589. We do not have a start date on the project at this time. We are hoping that the work can be completed in a weeks' time and should not affect our worship life. Funds for this project will come from the building fund.

FELLOWSHIP

Join us for the Ice Cream and Strawberry Festival on June 26th! The church will graciously provide hot dogs and rolls. Ice cream and lemonade will be provided, as well. We ask the congregation to bring shortcakes, desserts or other food with strawberries, and condiments for ice cream. Let your imagination run wild! Games will include Pin the Stem on the Strawberry.

STEWARDSHIP

The Necessity of Giving

*“Honor the Lord with your wealth, with the firstfruits of all your crops.” --
Proverbs 3:9*

Leftovers. They are a wonderful timesaver in the kitchen and sometimes even seem to taste better than the original meal. But when we honor someone with a meal, we would never think of using leftovers.

The same is true when it comes to the way we worship and honor our King, the Lord Jesus Christ. If we truly want to honor Him, it will not be with our “leftovers.” Everything we have, everything we are, and everything we hope are rooted in God’s creation of us and His graciousness toward us through Christ. Our time, money, and abilities are actually His. We should not give Him our time, money or abilities “if there is some leftover.” We only honor God when we give to Him first, trusting that he will provide for the rest of our time, money, and energy needs.

Proverbs 3:9 urges us to honor God by practicing firstfruit giving with our money. We basically have five general alternatives when it comes to what we do with our income: (1) the support of a chosen lifestyle; (2) whatever is needed for the repayment of debt because of that lifestyle; (3) the payment of taxes; (4) what we save and invest for the future; and (5) what we give away. What order of priority do these five alternatives take in your life? Does Proverbs 3:9 make a difference in helping you determine those priorities?

100 YEARS OF SERVICE

ST PAUL'S LUTHERAN CHURCH WOULD LIKE TO THANK AND CONGRATULATE THE GOOD WILL FIRE COMPANY NO 1 OF TREXLERTOWN FOR THEIR 100 YEARS OF SERVICE TO OUR COMMUNITY. MAY GOD BLESS AND PROTECT YOU AS YOU CONTINUE TO SERVE IN YEARS TO COME.

We are looking for volunteers to help sell items for the Fire Company on July 16. On this day there will be a Four Country Firemen's parade and various celebrations at the velodrome. If you can help, please sign up at the church or call the church office. Let's help make this day special for those who serve our community.

St. Paul's MOWers

On April 20th, Meals on Wheels of Lehigh County held their 45th Anniversary and Volunteer Recognition Celebration at the America on Wheels Museum. St. Paul's delivery team was presented with a certificate for achieving 578 hours of service through the end of 2015. The following members and friends of St. Paul's have graciously given their time to deliver hot and cold meals either each Tuesday on our team or on another weekday of their choosing: Moses Ajamu, Kay Allan, Sharon Bortz, Mary Hullenbaugh, Rosemary Lehman, Don and Paulette Mecherly, Daisy Pearson, Bruce and Sandi Wagaman, Judy Walker, and Larry Wingard.

If you would like to know how you can get involved in this valuable service to our community, you can speak to Sandi Wagaman (610-395-6387) or call Meals On Wheels (610-398-2563) directly.

“To pray is to grasp heaven in one's arms, to embrace the Deity within one's soul and to feel one's body made a temple of the Holy Spirit.”

Congratulations to Amy M. Brenfleck who received her Master of Science degree in School Counseling/Licensure at Kutztown University College of Education on May 7, 2016.

YOU ARE INVITED TO THE NORTHEAST PA SYNOD ASSEMBLY!

This year's Synod assembly will be held June 17-18 at the PPL Center in Allentown. Because the facility is so large, everyone is welcome to come for a day or a few hours. You might want to wonder around "God's playground" where you will have a chance to see what other churches do in areas of ministry. If you have never been to a synod assembly worship service, this is a wonderful opportunity to worship with hundreds of Lutherans and receive the sacrament of Holy Communion. The worship service will be on June 18th. This year our delegates to the assembly will be Sharon Bortz and Bob Nickisher. We thank them for giving of their time to serve St. Paul's at the assembly.

CONGRATULATIONS TO OUR NEW BORN

Congratulations to George & Brittany Reeger on the birth of their daughter, Marlowe Kay Reeger born on April 11, 2016.

Every man who desires to become a true father has to look continually to the Lord, that he might learn of him how to relate to his own children.

RUNNING BLIND

Years ago, I worked at a summer Bible camp with my cousin Erik. As an evening staff meeting concluded, a sprinkle suddenly became a downpour. Counselors sprinted off toward cabins, while Erik and I, who didn't supervise youngsters, debated whether to wait out the storm.

We opted to run for it, but being visually impaired, I soon realized the sheets of rain, added to the dark, hindered my view. "I can't see!" I yelled through the wind to Erik. Immediately, he grabbed my hand, pulling me along. "It's okay!" he shouted back. "I can!"

The sensation of running blindly yet feeling so secure became a metaphor for me about what I can handle and accomplish through faith. When I let God grab my hand and guide me, even when I'm running through dark, stormy times, I experience peace. For though I cannot see what lies ahead, I know God can.

WHAT IS PRAYER?

A self-help guru once said, "If prayer is you talking to God, then intuition is God talking to you." Yes and no.

Although we often think of prayer as us talking while God listens, listening to *him* is crucial. We can start with reading or hearing Scripture and then responding — aloud or in our hearts — with questions, concerns, joys, confessions, gratitude and praise.

Certainly, God also communicates with us in other ways. Through Christian friends we hear guidance, assurance, love, even admonition. Then, too, we hear God speaking in our heart. We may call this our conscience, a hunch or, indeed, intuition. So we might tweak the line above: "Prayer is both you talking to God *and* your intuition by which God talks to you." Amen!
