Pastor's Corner -- Where did we come from?

Where are we going?

Sometimes we have to know our history to ascertain where we need to go. We started as a Union Church with St Paul's Reformed / UCC, In 1773 an indenture was granted under the authority of King George III for a tract to build a church building for two existing congregations in Trexlertown. It took until May 26, 1784, before the union congregation was established and the cornerstone laid for a church building. The original church was finished and consecrated on April 17, 1785, and stood for 138 years until 1923.

Throughout the 1800's, 6 different pastors served and / or were responsible for as many as 5 to 16 different congregations at the same time. For example, in 1848, Pastor Jeremiah Schindler served 8 congregations with a total of 1971 people.

The Lutheran Zionsville parish accepted St. Paul's into their parish from the Reading Conference in 1900, joining Chestnut Hill, Zion Hill, Zionsville and Lehigh into a 5-point parish. In 1903 Lehigh withdrew, making it a 4-point parish which continued until dissolving in 1956.

At that time Lehigh joined with St Paul's for the next 10 years until separating again in 1966. St Paul's, still a union church, alternated Sundays until 1965 when they each started to meet weekly at two different times, (8 am and 10: 15 am.).

In 1983, both congregations voted to dissolve. The 200th anniversary was celebrated together by both congregations in 1984,

Ground was broken for St Paul's Lutheran Church on April 28, 1985, and construction was begun. The first service was held in the yet unfinished sanctuary on Christmas Eve 1985 in the presence of only the Christ-child's manger. Plans were made to move into the new building in February 1986 after services of Holy Communion in the old building.

Pastor's Corner cont'd

What holds us together? “**A five-letter word that starts with an F.**” We are sharing our worship time with one another and express our **FAITH**. and as members we each are moving into the future of St Paul's together.

As you read this history, contemplate the trials and tribulations the congregations went through during the years. Change is difficult. It can be disruptive, unsettling and reformative all at the same time.

Sometimes where we think we want to go may not be where God wants us to go. AND sometimes we hope and pray for God to lead us. Meanwhile at the same time we are telling God what we want. Be patient, stay calm and give God a chance to work with each of you. God's plans can, could and will be in the long run be best for St Paul's.

HARVEST HOME SUNDAY

We will be celebrating Harvest Home Sunday at St. Paul's on **October 11, 2026**. This service is to celebrate the ingathering of harvest. The Worship and Music Committee will be decorating the church with fall décor. For our harvest celebration service, we will sing hymns of celebration, hear scripture about God's abundance, and give thanks for our bounty.

While we give thanks for our abundance, we also recognize those in need. Hence, we are calling for donations of non-perishable food items. You can bring your non-perishable items to church **beginning on Sunday, October 4**, and place them in a box in the Narthex marked "Harvest Home." The donated food items will go to the food bank.

PARISH NURSING NOTES

“New Drug for Pancreatic Cancer”

October 2026

Peggy Saylor, MSN, RN

In August, the FDA approved the use of the drug Rasonque (daraxonrasib) in the treatment of metastatic pancreatic cancer. While I am writing this report on the new drug, the form of this article will be more of a blog than an article as my life has been deeply affected by pancreatic cancer beginning decades ago with my mother-in-law and presently with one of my best friends as well as the father-in-law for one of my daughters.

Despite only accounting for roughly 3.2% of all cancer diagnoses, pancreatic adenocarcinoma accounts for a disproportionately high number of cancer deaths due to the fact that it is usually detected late, is very aggressive and has limited treatment options. If the cancer has not spread, one option may be a Whipple procedure. This is a major complex surgery in which the head of the pancreas, part of the small intestine, gallbladder, and bile duct are removed as well as possibly surrounding lymph nodes and part of the stomach. Once removed, the digestive tract needs to be reconstructed and reattached. The surgery can range from 4 – 12 hours, usually with a 1-2 week hospital stay and then 2-6 months for a full recovery from the surgery. Bruce’s mother had this surgery and was a “miracle” living 20 years longer. Her case was written up in a medical journal as this is not the norm. My friend, because her cancer had not spread, had this surgery as well at the end of June of this year and is still hospitalized due to issues with digestion.

Parish Nursing Notes

On the other hand, my daughter's father-in-law, whose cancer has metastasized is receiving standard chemotherapy with no improvement. The FDA's approval of Rasonque will hopefully add to the survival rate of this aggressive cancer. Rasonque is designed for those patients that have metastatic pancreatic cancer, have received at least one prior systemic therapy but are not candidates for multiagent therapy. It is a pill taken one time a day and targets multiple forms of a protein called RAS, which is the key driver of tumor growth in these patients. In the clinical trial with Rasonque, the improved median overall survival rate went to 13.2 months compared to the 6.7 month survival rate with standard chemotherapy. To someone who wants to experience life as long as possible, this brings hope in a dismal prognosis.

I ask that you remember these individuals as well as all those in need in your prayers. I will continue to pray and support them as much as possible during this difficult time.

Information accessed on 9/15 on www.fda.gov.

ALTAR GUILD, COMMUNION ASSISTANTS AND READERS ARE NEEDED

Altar Guild, you would serve approximately every 6 weeks, coming to church a half hour early and setting up the altar for communion. At the end of the service, remove everything from the altar, including fresh flower bouquets, water them, wash the communion-ware and put it away.

Communion Assistant: you would serve approximately every 6 weeks, assist during communion –usually pouring the grape juice while the lay assistant handles the wine.

Reader: you would serve every 6 weeks to read the lessons during the service. Please consider helping in one of these roles. Contact Steph Wagaman with any questions.

Comfort

At our May 2026 LMD Spring Assembly, we asked members of the mission district to submit their favorite scripture verses. These included: John 3:16, Isaiah 55:1-11, Psalm 121:1, John 15:12, Micah 6:8, Matthew 25, and Psalm 13.

At our September Rostered Ministers Gathering we read and analyzed these verses for common themes. The first theme we noticed was each of these verses points to God's steadfast love. Some of these verses ask and answer the question: "What does the Lord require of you?" As we continued talking about these verses we also noticed the theme of God's faithful presence. These verses also invite us to first turn to God, and we are assured of comfort and salvation.

The English word "comfort" is perhaps a bit problematic. We associate it with a feeling such as a comfortable chair or a comfortable pair of socks. However when scripture talks about comfort, usually there is more to it than the English word brings to mind. I find this most striking in the English translation of question 1 of the Heidelberg Catechism: "What is your only comfort?" The original German uses the word 'Trost.' There is an old tradition in which, when a child dies in childbirth, the next child to be born and live is named "Trost" which means comfort or consolation. This is the type of comfort that follows complete devastation. And so when our UCC/German Reformed friends had to memorize the answer to question 1, they said: "My only comfort in life, and in death, is that I am not my own, but belong—body and soul—to my faithful Savior Jesus Christ."

As Christians, we are often called to be uncomfortable for the sake of the gospel. We forsake lesser comforts for an ultimate comfort in Jesus. This doesn't mean we are uncomfortable for discomfort's sake. Instead, following Christ means we will often be invited to leave our comfort zones for the sake of serving our neighbor. Trusting in God's steadfast love and faithful presence makes this possible.
